

2700T

ATMowner.com

Step up to a sleep walk-up with rock solid reliability.

The 2700T brings you through-the-wall convenience and the latest advancements in ATM technology. Plus, the appealing exterior is suitable for even the most high-end locales. This heavy-duty machine gives you dependability and ease of maintenance with the added bonus of high-capacity note storage. You get the same high quality and proven reliability you expect from industry leader Nautilus Hyosung.

INNOVATIVE DESIGN

The 2700T offers a wide range of transactions and features a user-friendly interface with a large 10.1" display screen and tactile touch with function keys.

CAPACITY

A significant advantage of the 2700T ATM is its high-capacity note storage able to accommodate up to three removable cassettes to make managing your cash easier.

RELIABILITY

Ease of maintenance and simplified service routines provide maximum availability and increased uptime with minimal operationa l intervention.

VISIBILITY

The built-in LED backlit sign makes this already attractive ATM even more visible. Add a video topper to stream advertising of your choice to attract more sales and customers.
